## *President's Message*

Contributed by Brad Fischer (78-S)

Worthy Brothers:

Sigma Chi at Fresno State is off to a good start with eight young men signing bids to join our order. Thank you to our dues members who hosted them at Preference Dinner on Monday February 16, 2026. Save the date to join us on Saturday March 21, 2026 at 8:00 AM for Initiation.

Spring will be a busy one for Sigma Chi at Fresno State. Some outstanding speakers are planned at our alumni dinner events, Derby Days, Initiation, the 9th Annual Wine Tasting just to name a few. For those out of the area, look for articles on these activities in the months ahead.

Thank you to the dues paying members attending our February alumni dinner. They voted to donate \$25.00 from their annual dues to the Sigma Chi Reno Associate Chapter. That is \$450.00 to help this chapter expansion recruit initial members to meet the minimum of 30 to charter the chapter.

Help us ensure that the Sigma Chi Fraternity remains the premier fraternity at Fresno State. We are adding new luster to the White Cross!

In Hoc Signo Vincas,

**Brad**

President, Fresno Sigma Chi Scholarship Endowment*

**Date: April 25, 2026**

**Time: 3:00 PM to 6:00 PM**

**\$75/person (limited to 125 participants).**

**Location:** John & Susan Ballinger's Home, 9846 N

The 9th annual Sigma Chi wine tasting will be held at brother Ballinger's residence and will again feature brother T.A. Heckel's personal wines.

Entry fees and raffle ticket proceeds will again go into our endowment. However, proceeds from the silent auction will go directly to the House Corporation to make emergency water damage repairs. The Chapter House is Epsilon Eta's most important icon, so please be prepared to bid up the auction items.

Past Chapter Advisor and Housing Corporation member, **Dusty Lacefield (12-F)** is offering his family's 6-bedroom, 6-bath Bass Lake luxury cabin for a 3-night stay. Start thinking of friends and family you can invite.

## ***CELEBRATION OF BROTHERHOOD***

At our February dinner event we celebrated Brotherhood Day. In 1981, Sigma Chi created a new and unique tradition-an annual Fraternity-wide celebration called Brother's Day. It is intended to be a special celebration during which all Sigs gather to honor our Founders, our heritage, and our friendships with each other.

**Rodney Gavroian** (76-S) & Consul 1980 read from the Ritual Book on two sections. One being the Preface and the other being the final ceremony before Initiation begins. When a speaker is not invited, we will continue a selection of readings at future alumni events.

## ***SPRING 2026 PREFERENCE DINNER***

Recruitment ended on February 16 with Preference Night held at The Old Spaghetti Factory. The crowd of 48 included 7 of the 8 new pledges plus the presidents of the Alumni Chapter **Brad Fischer**

(78-S), House Corporation **John Ballinger** (65-S) and Endowment **Mike Patton** (63-S).) 8 pledges during the spring is considered pretty good, and they included an architectural major, a civil engineering major and a mechanical engineering major.

## ***SIGMA CHI EXPANSION MEMORIES***

*By Order of Constantine Bill Robinson (70-F) Secretary,  
Fresno Sigma Chi Alumni Chapter*

Remembering back, I took part in the initial induction initiation of the Sig Chapter at UC Irvine in the '70s and we took a small amount of our EH initiation regalia since the new chapter didn't have any yet. Other chapters, mostly in SoCal, did the same.

Also, while traveling a few years later I visited the Sig House at TCU and was asked to join in on the

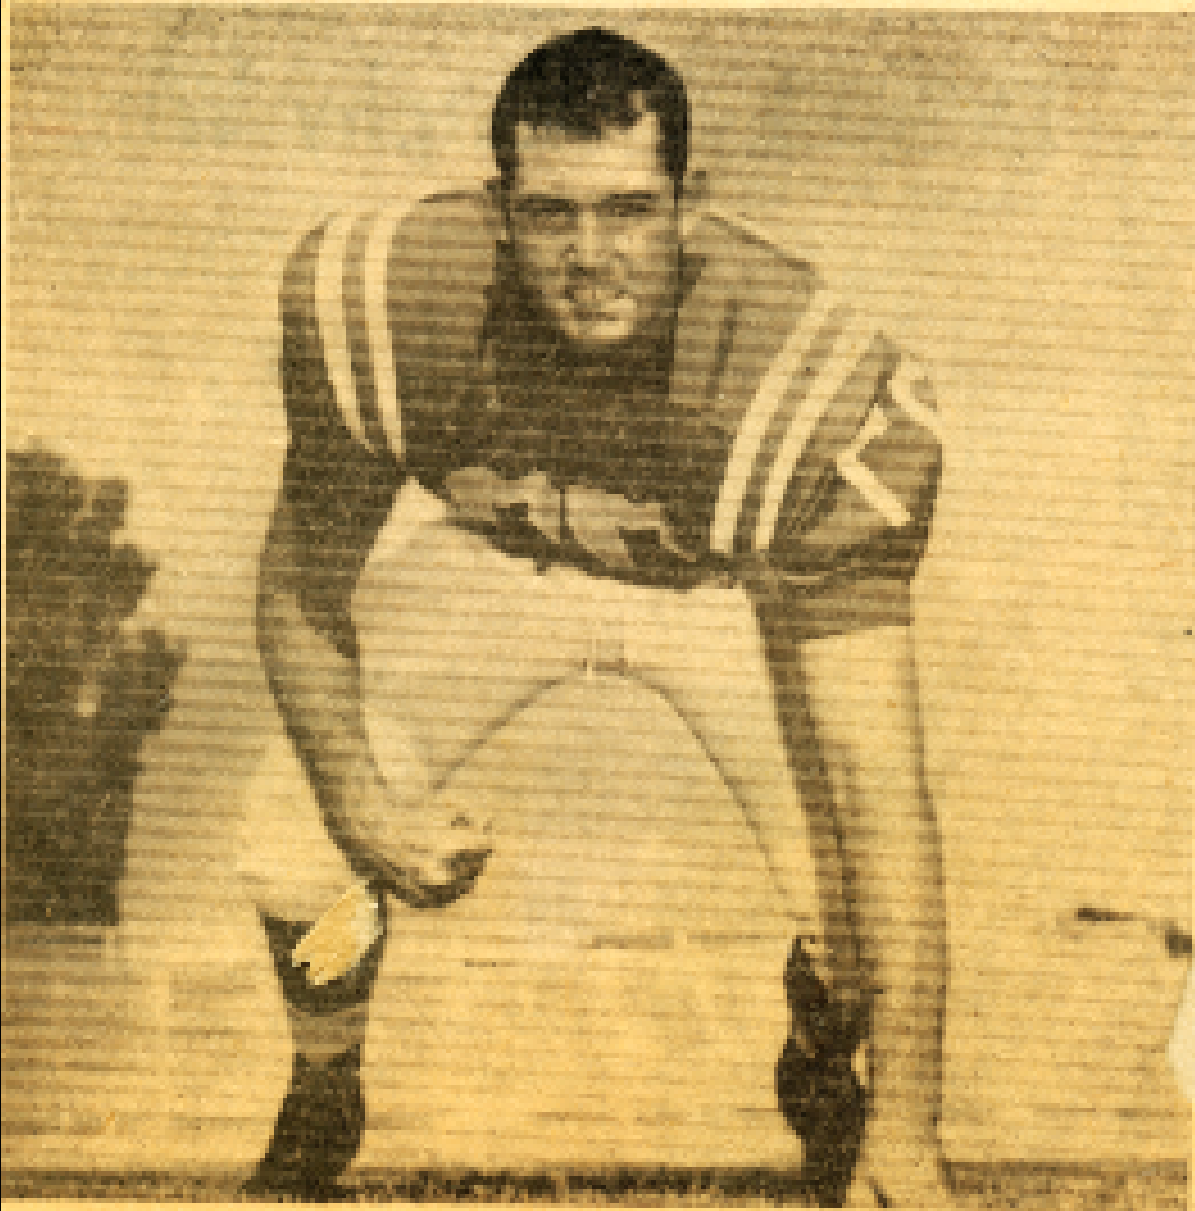

initiation interviews. Both were great experiences.

***PRAISES FOR  
ACCOMPLISHMENTS OF  
BROTHER SOWERS***

*By Order of Constantine & Significant Sig Mike Patton (63-S)  
President, Fresno Sigma Chi Scholarship Endowment*

**TALL TACKLE** — Gold Unit tackle Ed Sowers has been a pleasant surprise for coach Coce Coleman this year. The 6-6 varsity basketball center continues to improve at his interior slot and gives depth to this year's undermanned position. Sowers may see action against San Jose State

Recently we learned that former Epsilon Eta Consul, **Ed Sowers** (61-F), entered the Chapter Eternal on December 23, 2025. Reaction to the news was strong, and several brothers commented on his accomplishments.

Ed served as Consul my first semester as a Sigma Chi. He was a really responsible Consul, and we all

appreciated his leadership. Here is what other brothers from his era say about him:

**Former Consul Ron LaRocca (61-F):**

“Very sorry to read about the passing of Ed Sowers in the Sig alumni newsletter this morning. As you may recall the year I lived in the fraternity house Ed, Joe Chappell (61-F) and I were roommates for one year in the room at the end of the house with its own entrance door. It was the only room at that time that held 3 people. Ed made big contributions to Sigma Chi serving as Pro-Consul, Consul and Quaestor. In addition, he was on the Fresno State football and basketball teams. He was a junior college transfer like many in our pledge class of fall 1961. He had a very successful career in education and the military. All honor to his name!”

**Dave Barnes (61-F):**

“Thanks for the 'heads up' on Ed Sowers. Ed didn't 'blow his own horn much,' but reading of his accomplishments he made Sigma Chi proud, and did a lot of work for the chapter, plus his athletic ability.”

**Dan O'Brien (61-F), founder of Derby Days at Fresno State:**

"Amen!"

***ALL HONOR TO HIS NAME!***

***MARK SCOTT (69-F)  
BLAST FROM THE PAST***

While Mark was a pledge he attended the 1969 Sweetheart Ball. Pictured below are our House Mother, Mama Lou Underwood, and Consul **Greg Baxter** (67-S).

## ***HOUSING CORPORATION ARTICLE***

*Contributed by John Ballinger (65-S)*

Valentine's Day has come and gone. We hope yours was enjoyable and memorable. Over the winter break the house was in need of some attention.

In early January, I held conversations with Consul Julian Narvaez and Pro-Consul Andrew Dristas and a few officers regarding maintaining a clean house and how to minimize interior damages. Julian and Andrew agreed with our concerns and shared them with the active chapter. They then led the live-ins in a major house cleaning campaign! Kudos to them

and those who helped! The house remains presentable.

There are 14 brothers currently living in the house. That significantly reduces our operating income by 8 monthly rental deposits. Two actives have recently taken out contracts.

The house renovation project has been delayed until the end of the spring semester when there will be fewer people around. This month's shout out goes to Brother Brian Stout (S '63) in Virginia who has donated his third \$500 contribution since the beginning of our house corporation fund drive! Our current total still stands at \$18,250 as contributions have slowed down considerably.

## DERBY DAYS 2006 NEW WEBSITE – DONATE TODAY

By Nick Davis (22-F)

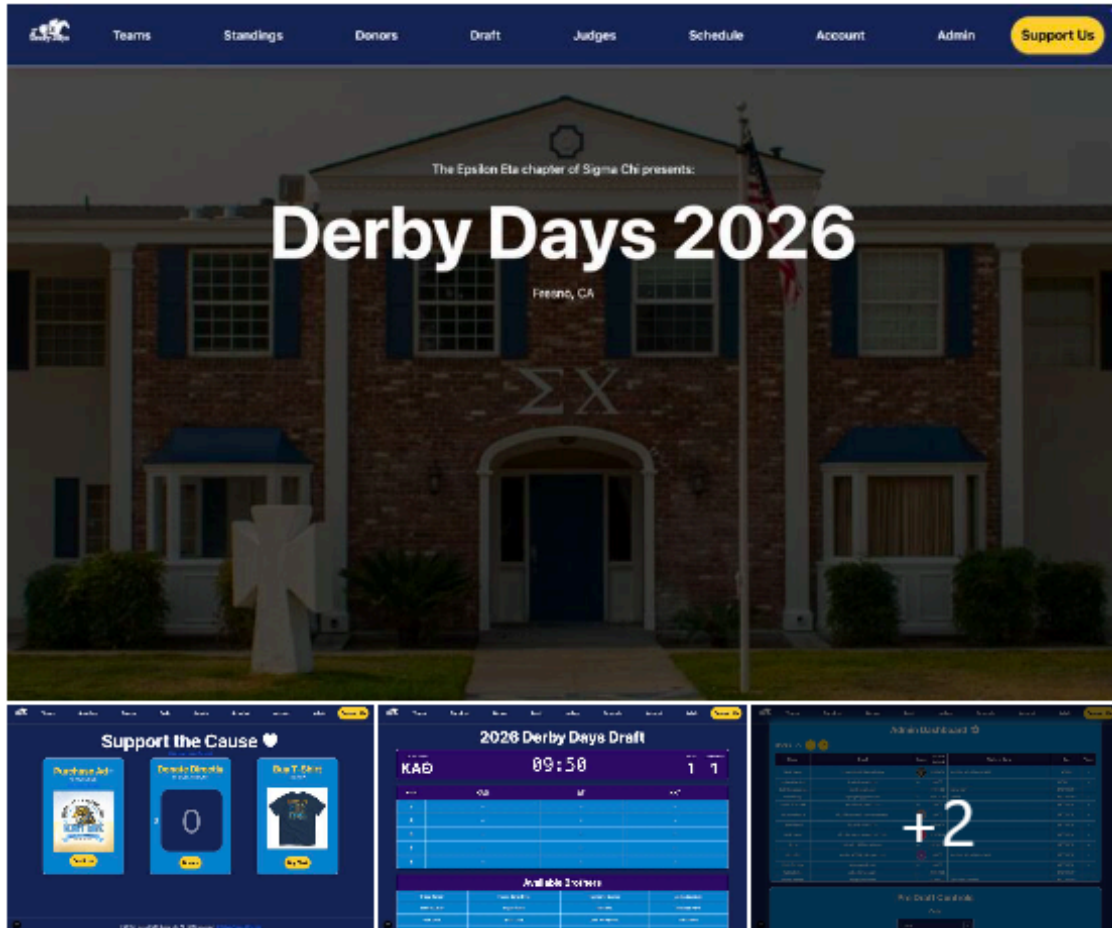

For the past 60 years, my fraternity, Sigma Chi at Fresno State, has hosted an annual, month long philanthropy called Derby Days to support Valley Children's Hospital. It brings together multiple sororities in a competitive, high-energy effort to raise money for a cause that matters deeply to our community.

As Derby Days grew, the systems behind it didn't. The event relied on spreadsheets, manual updates,

and disconnected tools to manage donations, teams, ad sales, and logistics which made it increasingly difficult to scale and keep participants engaged in real time.

That experience led me to build [derbydays.org](http://derbydays.org), a centralized web app I've been developing over the past 7 months to run the entire philanthropy in one place. The platform supports donation tracking, ad and t-shirt sales, live standings, team and user management, and even a live fantasy sports–style draft for one of the events.

### ***Chapter Officer Training Volunteers Needed***

Brothers,

Sigma Chi is relaunching Chapter Officer Training with a much needed change to our approach. Led by Jeff Twibell, this new program will transform how we support our young brothers and our officers. The program was introduced in the Grand Praetor / Grand Trustee meeting that was held a couple of weeks ago. We will be reviewing it with every interested alumnus this spring.

In the mean-time, the program requires each Grand Praetor to find *Six (6) local alumni, in each province, to fulfill mentor roles for the Chapter Officers (Consul, Proconsul, Quaestor, Magister, Recruitment, Risk Manager), within the province.*

If this sounds like something for which you might be interested, please reach out to your Grand Praetor. They are actively searching for alumni of all ages to fill these extremely important roles. Also, there is a job description that details the role, the interaction, the training and the expected commitment.

I will answer the commitment here - 3-5 hours per month, after initial training.

We are looking for brothers to perform the role for a few years, at least.

Again, if you are interested, please reach out to your Grand Praetor. If you are not aware of who that might be, send me an email at [grandconsul@sigmachi.org](mailto:grandconsul@sigmachi.org).

***SUPPORT CHI EXPANSION  
ASSOCIATE CHAPTER @ UNR  
DONATE TODAY***

***By Sean Egan, Member UNR Sigma Chi Associate Chapter & son  
of Richard Egan (77-F) Epsilon Eta***

I am reaching out on behalf of the Sigma Chi Associate Chapter at the University of Nevada, Reno to ask for your support.

As we prepare for Spring Rush, our chapter is currently raising funds to prepare for rush week. Without additional funding, it will be difficult for us to properly host rush events and put ourselves in the strongest position to recruit new members. Spring Rush is critical to the growth and long-term stability of our associate chapter.

# **CHANGE IN THE 2026 WINE TASTING EARNINGS**

*By Order of Constantine & Significant Sig Mike Patton (63-S)  
President, Fresno Sigma Chi Scholarship Endowment*

Epsilon Eta's Chapter House requires emergency repairs relating to water leaks and the resulting water damage including dry rot. Plus, the front sliding glass door needs replacement because it is warped and cannot latch or lock. The corrections are necessary to prevent even more expensive damage and to allow the securing of the House.

The exact cost of this work cannot be estimated until certain parts of the House are opened for inspection, but the cost will be substantial. The House was first occupied during the spring 1967 semester making it 59 years old, so maintenance will always be a challenge.

The Chapter House is our most important icon. To help pay for this work, the Wine Tasting Committee voted unanimously to dedicate this year's income from the silent auction to the House Corporation.

## **PLEASANT MATTRESS HONORED BY THE COUNTY OF FRESNO**

*By Order of Constantine Bill Robinson (70-F) Secretary, Fresno  
Sigma Chi Alumni Chapter*

The year I was the House Manager (one of worst jobs in my entire life) we needed to replace some mattresses which to my surprise were over standard length but fit the extra-long bed frames. I was given

the name Brother **Herb Morgenstern (65-S)** of **Pleasant Mattress** to get replacements.

One phone call and the needed mattresses were delivered a short time later and exchanged. A problem already existed in that the sheets provided by the then laundry service was standard length so brothers were using two sheets to cover their beds. A few years later I learned that Pleasant Mattress recycled mattress materials and their major market was prisons!

## ***PROTECTING THE HISTORY OF EPSILON ETA***

*By Order of Constantine & Significant Sig Brad S Fischer (78-S)*

Sigma Chi continues to have the most extensive collection of materials at the Fresno State Library Special Collections Department. What are you doing to save material from Epsilon Eta? Here are some ideas while you hold the items until you are ready to save them in perpetuity at the library.

Items can include, photographs, invitations, programs, clothing, jewelry, award certificates, trophy's, scrapbooks, etc.

Keep materials in a dry and temperature-controlled environment

Avoid folding any materials

Write the names of people featured in photographs on the back using a #2 pencil

Write an explanation of people, events, places, etc. to accompany your items

Place like materials in a box, folder, envelope or Ziplock
